

RELENTLESSLY CLEAN

MADE FOR HANDS, NOT FLOORS

FDA approved, vitamin E and aloe-infused hand sanitizer clings to hands and doesn't drip to the floor.

FOAMING ALCOHOL HAND SANITIZER

Remove germs that cause illness while softening and nourishing hands.

Item Number: 2XL221 | Actuation: 1000 mL

- FDA approved to remove 99.9% of common germs on hands in 30 seconds.
- 62% alcohol - meets FDA and CDC alcohol-based hand sanitizer requirements.
- Thick foam dispenses and stays on hands instead of dripping to the floor.
- Infused with Vitamin E and Aloe; bio-based Benzalkonium Chloride formula.
- 1400+ pumps per bottle for long-lasting hand cleaning.
