

**Safety Data Sheet**  
**GymWipes® Antibacterial Fast**  
**Product Code: 42XL101**

**Revision Date:**  
**10 August, 2026**

## Section 1. Identification

**Product identifier**

**Product Identity**

GymWipes® Antibacterial Fast  
Product Code: 42XL101

**Other means of identification**

Not Applicable

**Relevant identified uses of the substance or mixture and uses advised against**

See Technical Data Sheet.

**Details of the supplier of the safety data sheet**

**Company Name**

2XL Corporation  
2 Gateway Ct Ste A  
Bolingbrook, IL 60440  
USA

**Emergency**

**24 hour Emergency Telephone No.**

For incidents only (spill, leak, fire, exposure, or accident),  
call CHEMTREC at  
1-800-424-9300 (inside North America) [CCN 864796]  
1-703-741-5970 (outside North America) [CCN 864796]  
+41 61 313 94 94 (24h )

**Customer Service:**

1-708-435-4000  
info@2xlpro.com

## Section 2. Hazard(s) identification

**Classification of the substance or mixture under OSHA's Hazard Communication Standard (1910.1200) revised 2024 (GHS revision 7).**

Aquatic toxicity (chronic), category 3;H412      Harmful to aquatic life with long lasting effects.

**Label elements**

H412 Harmful to aquatic life with long lasting effects.

**[Prevention]**

P273 Avoid release to the environment.

**[Response]**

No GHS response statements

**[Storage]**

No GHS storage statements

**[Disposal]**

P501 Dispose of contents or container in accordance with local and national regulations.

**Safety Data Sheet**  
**GymWipes® Antibacterial Fast**  
**Product Code: 42XL101**

**Revision Date:**  
**10 August, 2026**

**Other hazards**

This product contains no PBT/vPvB/vPvM chemicals.

This product contains no endocrine disrupting chemicals.

Does NOT contain component(s) that meet a 'definition' of per & poly fluoroalkyl substance (PFAS) per the US EPA PFASMASTER combined list of PFAS chemicals.

### Section 3. Composition/information on ingredients

There are no ingredients in this product which are classified as hazardous, and/or no hazardous ingredients above the GHS cut off percentage.

Contains aquatic toxins below 1% which lead to GHS classification:

1-octanaminium, n,n-dimethyl-n-octyl-, chloride (0005538-94-3)

1-Decanaminium, N-decyl-N,N-dimethyl-, chloride (0007173-51-5)

Alkyl (C12-16) dimethylbenzylammonium chloride (0068424-85-1)

### Section 4. First aid measures

**Description of first aid measures**

|                                                                    |                                                                                                                                                                                                                                      |
|--------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>General</b>                                                     | In all cases of doubt, or when symptoms persist, seek medical attention.<br>Never give anything by mouth to an unconscious person.                                                                                                   |
| <b>Inhalation</b>                                                  | Remove to fresh air, keep patient warm and at rest. If breathing is irregular or stopped, give artificial respiration. If unconscious, place in the recovery position and obtain immediate medical attention. Give nothing by mouth. |
| <b>Eyes</b>                                                        | Irrigate copiously with clean water for at least 15 minutes, holding the eyelids apart and seek medical attention.                                                                                                                   |
| <b>Skin</b>                                                        | Remove contaminated clothing. Wash skin thoroughly with soap and water or use a recognized skin cleanser.                                                                                                                            |
| <b>Ingestion</b>                                                   | If swallowed obtain immediate medical attention. Keep at rest. Do NOT induce vomiting.                                                                                                                                               |
| <b>Most important symptoms and effects, both acute and delayed</b> |                                                                                                                                                                                                                                      |
| <b>Overview</b>                                                    | No specific symptom data available.<br>No chronic toxicity or long term toxicity information available. Treat symptomatically. See section 2 for further details.                                                                    |

### Section 5. Fire-fighting measures

**Extinguishing media**

Recommended extinguishing media; alcohol resistant foam, CO<sub>2</sub>, powder, water spray.

Unsuitable extinguishing media: Do not use; water jet.

**Safety Data Sheet**  
**GymWipes® Antibacterial Fast**  
**Product Code: 42XL101**

**Revision Date:**  
**10 August, 2026**

**Special hazards arising from the substance or mixture**

Hazardous decomposition: No hazardous decomposition data available.

**Advice for fire-fighters**

As with all fires, wear positive pressure, self-contained breathing apparatus, (SCBA) with a full face piece and protective clothing. Persons without respiratory protection should leave area. Wear SCBA during clean-up immediately after fire. No smoking.

**ERG Guide No.** ---

## **Section 6. Accidental release measures**

**Personal precautions, protective equipment and emergency procedures**

Put on appropriate personal protective equipment (see section 8).

Use good personal hygiene practices. Wash hands before eating, drinking, smoking, or using toilet. Promptly remove soiled clothing and wash thoroughly before reuse.

**Environmental precautions**

Do not allow spills to enter drains or waterways.

**Methods and material for containment and cleaning up**

Ventilate the area and avoid breathing vapors. Take the personal protective measures listed in section 8. Contain and absorb spillage with non-combustible materials e.g. sand, earth, and vermiculite. Place in closed containers outside buildings and dispose of according to the Waste Regulations.

## **Section 7. Handling and storage**

**Precautions for safe handling**

Handle containers carefully to prevent damage and spillage.

See section 2 for further details. - [Prevention]

**Conditions for safe storage, including any incompatibilities**

Incompatible materials: No data available.

See section 2 for further details. - [Storage]

**Specific end use(s)**

No data available.

**Safety Data Sheet**  
**GymWipes® Antibacterial Fast**  
**Product Code: 42XL101**

**Revision Date:**  
**10 August, 2026**

## Section 8. Exposure controls / personal protection

There are no ingredients in this product which are classified as hazardous, and/or no hazardous ingredients above the GHS cut off percentage.

### Exposure controls

|                             |                                                                                                                                                                                                                                                                                                                               |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Respiratory</b>          | If workers are exposed to concentrations above the exposure limit, they must use the appropriate, certified respirators.                                                                                                                                                                                                      |
| <b>Eyes</b>                 | Protective safety glasses recommended                                                                                                                                                                                                                                                                                         |
| <b>Skin</b>                 | Protective gloves recommended.                                                                                                                                                                                                                                                                                                |
| <b>Engineering Controls</b> | Provide adequate ventilation. Where reasonably practicable this should be achieved by the use of local exhaust ventilation and good general extraction. If these are not sufficient to maintain concentrations of particulates and any vapor below occupational exposure limits suitable respiratory protection must be worn. |
| <b>Other Work Practices</b> | Use good personal hygiene practices. Wash hands before eating, drinking, smoking, or using toilet. Promptly remove soiled clothing and wash thoroughly before reuse.                                                                                                                                                          |

See section 2 for further details.

## Section 9. Physical and chemical properties

### Information on basic physical and chemical properties

|                                                        |                                                                              |
|--------------------------------------------------------|------------------------------------------------------------------------------|
| <b>Physical State</b>                                  | Solid                                                                        |

**Vapor Density** Not Available  
**Evaporation rate (Ether = 1)** Not Available  
**VOC Content** Not Available  
**Other information**  
No other relevant information.

## Section 10. Stability and reactivity

### Reactivity

Hazardous Polymerization will not occur.

### Chemical stability

Stable under normal circumstances.

### Possibility of hazardous reactions

No data available.

### Conditions to avoid

No data available.

### Incompatible materials

No data available.

### Hazardous decomposition products

No hazardous decomposition data available.

## Section 11. Toxicological information

### Acute toxicity

There are no ingredients in this product which are classified as hazardous, and/or no hazardous ingredients above the GHS cut off percentage.

| Classification                | Category | Hazard Description |
|-------------------------------|----------|--------------------|
| Acute toxicity (oral)         | ---      | Not Applicable     |
| Acute toxicity (dermal)       | ---      | Not Applicable     |
| Acute toxicity (inhalation)   | ---      | Not Applicable     |
| Skin corrosion/irritation     | ---      | Not Applicable     |
| Serious eye damage/irritation | ---      | Not Applicable     |
| Respiratory sensitization     | ---      | Not Applicable     |
| Skin sensitization            | ---      | Not Applicable     |
| Germ cell mutagenicity        | ---      | Not Applicable     |
| Carcinogenicity               | ---      | Not Applicable     |

**Safety Data Sheet**  
**GymWipes® Antibacterial Fast**  
**Product Code: 42XL101**

**Revision Date:**  
**10 August, 2026**

|                        |     |                |
|------------------------|-----|----------------|
| Reproductive toxicity  | --- | Not Applicable |
| STOT-single exposure   | --- | Not Applicable |
| STOT-repeated exposure | --- | Not Applicable |
| Aspiration hazard      | --- | Not Applicable |

**Possible routes of entry:**

Inhalation, ingestion, skin contact, and skin absorption.

**Symptoms and effects, both acute and delayed:**

No specific symptom data available.

No chronic toxicity or long term toxicity information available. Treat symptomatically.

## Section 12. Ecological information

**Toxicity**

Harmful to aquatic life with long lasting effects.

**Aquatic Ecotoxicity**

There are no ingredients in this product which are classified as hazardous, and/or no hazardous ingredients above the GHS cut off percentage.

**Persistence and degradability**

There is no data available on the preparation itself.

**Bioaccumulative potential**

Not Available

**Mobility in soil**

No data available.

**Results of PBT and vPvB assessment**

This product contains no PBT/vPvB/vPvM chemicals.

**Other adverse effects**

No data available.

## Section 13. Disposal considerations

**Waste treatment methods**

Waste should not be released to sewers. Observe all federal, state, and local regulations when disposing of this substance.

**Safety Data Sheet**  
**GymWipes® Antibacterial Fast**  
**Product Code: 42XL101**

**Revision Date:**
